ADDITIONAL INFORMATION

Scene: County Road 308B and Saratoga Circle, Satsuma Fl, 32193

Direction: South on State Road 19 to 308B

On December 30 2009, I responded to the above location in response to a possible Assault.

Upon arrival I spoke with Charles Jones III who advised he was driving down County Road 308B when he drove up behind a white truck he knew as Ronald Cummings. Charles stated at that time the truck tried to run him off the road, at which point the front of his car met with the back of Ronald's. Observation of Charles vehicle showed old front end damage but no new damage. Charles also said after Ronald parked in the middle of the road and stuck a gun out the window and said "I will kill you mother fucker". Charles said he sped by the other vehicle. Charles said the gun was black and could fit in the palm of your hand. Charles also stated he clearly identified Ronald Cummings as the driver and there was no one else in the vehicle. Charles stated he wanted to pursue charges. Charles then signed/completed a voluntary statement and a charging affidavit. Charles was supplied a Victim's Right's pamphlet.

I then met with Ronald Cummings at 126 4th Ave.. Ronald advised he was traveling down 308B when he came across a car parked in the middle of the road. Ronald stated the vehicle belonged to Charles and as soon as he went by Charles pursued him attempting to run him off the road. Ronald stated Misty Cummings was in the truck with him and he had her call 911 about what was occurring. Ronald stated he was picking up Misty from Buffalo Bluff to get the rest of her belongings from his house. Ronald stated that he did indeed have a gun but did not carry the gun with him. Ronald said he kept the gun in a gun cabinet inside the house. Ronald then supplied the location to the firearm and access to it. Ronald stated the gun is always secured inside the gun cabinet in the house and he did not have it during the incident. Ronald signed/completed a voluntary statement.

Upon observation of Ronald's truck there was no evidence of a rear end collision.

While there I spoke with Misty Cummings who advised Ronald went to her house and picked her up so she could get the rest of her things from his house. Misty said Charles raced up behind her and Ronald flashing his lights in an attempt to run them off the road. Misty went on to say Charles attempted to pass them a couple times and at one point he almost collided with an oncoming car. Misty stated Ronald did not have a gun during the incident and she never saw one. Misty signed/completed a voluntary statement.

The charging affidavit will be forwarded to the State's Attorney's Office for further review.

In view of the above information this case is deemed exceptionally cleared. Any further reports will be completed in a timely manner and submitted as required.
